Dear Sir,

I am writing on behalf of the Secretary-General to thank you for your petition sent by e-mail of 30.05.2012.

Your petition has been entered in the general register under number 0742/2012; I should be grateful if you would mention this number in any further correspondence.

It has been forwarded to the Committee on Petitions, which will first decide whether it is admissible; it is considered admissible if it comes within the European Union's fields of activity. The substance of your petition will be considered only if this is the case.

You will receive written notice directly from the Committee on Petitions to inform you whether your petition is admissible.

However, you should note that, because of the large number of petitions received, the procedure for consideration of a petition can take a relatively long time.

For any correspondence on this case, would you make direct contact with the Committee on Petitions secretariat, European Parliament, Rue Wiertz, B-1047 Brussels (fax no 0032/22846844).

Yours sincerely,

Head of Unit

Gabriel SANCHEZ RODRIGUEZ
